

A Statement from the barn.....

With our Christmas shop now open and as we head full on into this fabulous but crazy festive season, it feels like the right time to let you know that 2024 will see our Cafè close and the barn take a new direction.

The last few years have been challenging for both large business and small and there has been no let up! We've worked hard to adapt to the twists and turns the world has thrown at us, and absorb some of the losses this created, now coupled with a recent health scare, it is time for us to pause and consider the future shape of the business.

The shop & Café will close in their current form, until further notice on 22nd December 2023; rest assured, whatever we do, Christmas will always remain the heart of the barn and will be back for sure in 2024!

In the meantime, please support us & our amazing team, pop in for coffee, enjoy a delicious cake or 2, take a lunch and browse our shop, let's make this a season to remember!!

Finally, a heartfelt thanks goes out to all our amazing team and to all of you, our most loyal followers for your unwavering support. Whatever the future holds, however big or small, we hope you will remain a part of the heart of the Barn.

Richard And Sara Howson.
